HAMILTON

CUSTOM MADE SECURITY

A **GUNNEBO**® COMPANY

Bullet Resistant Windows

Hamilton Windows are architecturally appealing and built to resist ballistic, wind and impact, and forced entry threats, making drive-thru and walk-up operations safe, secure and efficient.

PAIRED DRAWER OPTIONS

400DD Standard

DCD-18 Large

DD-8 Compact

300WW Walk-Up

Transaction Drawers pair easily with Hamilton's Windows to facilitate transfer of cash, containers and other items without compromising security. Both units are designed to be used together, but are available separately to retrofit existing drive-thru and walk-up equipment.
