- Car Rental Agencies
- Public Utilities
- City Buildings
- Government Agencies

## **HAMILTON SAFE** Model 145DB "Drop Box"

**Drop Box** provides a convenient and safe place for patrons and customers to drop off books, DVD's or small packages.

Hamilton's long experience at building security equipment and an anti-tampering design make it almost impossible for thieves to steal those books, DVD's, small packages and anything else that people are trying to place in your care.

### **Drop Box:**

- Provides high security with an anti-tampering design
- Requires little maintenance with a stainless-steel face and drop chute
- Can be customized with any faceplate message
- Can limit access with key-lock feature

Purchase peace of mind and customer convenience --install a Hamilton Safe Drop Box.
