Product:
4-1/2" Carrier

Date Revised:

Subject:

4-1/2" Carrier Change, B2952

All Hamilton Dealers,

The 4-1/2" standard carriers shipping with HA1000 and HA45 pneumatic tube systems have changed in the way we color code them for each lane. The standard side open carriers will all be shipped with all clear bodies and black end caps. Included with each carrier is a label pack that includes four color choices. The labels include five strips (four to mark the carrier and one to mark the teller unit) and one dot (to mark the customer unit). The labels are shipped inside each carrier for installation by the dealer.

The new carrier will be available with three different color combinations as listed below. These carriers will be shipping immediately with new systems..

Item	Description
B2952-CKIT1	4-1/2" Side Open Carrier w/Red, Yellow, Blue, Green Labels
B2952-CKIT2	4-1/2" Side Open Carrier w/Purple, Lt. Blue, Orange, Black Labels
B2952-CKIT3	4-1/2" Side Open Carrier w/White, Beige, Pink, Gray Labels

If you have any questions or concerns about this change, please contact Bill Detherage via email billd@hamiltonsafe.com or phone (513) 874-3733.
