400DD Highest Level Security Transaction Drawer

NEW INSTALLATION OR RETROFIT

The benchmark in transaction drawers combining high security UL Level 3, .44 magnum protection with super reliable operations.

400DD | DCD-18 Innovative Design Benefits

- Patented suspension-free design virtually eliminates mechanical maintenance problems common to other deal drawers
- Protective against wind, rain, snow and “wind tunnel” effect with no direct contact from the outside
- Easy to operate with smooth opening and closing function either electrically or manually
- Easy to service by removing the top panel for access to all internal components
- Available as a stand alone unit or paired with our bullet resistive glass window

DCD-18 Hamilton's Largest Transaction Drawer

TOUGH SECURITY | TOP-NOTCH CONVENIENCE

With a large 12" x 15" serving area that is 18" deep, the DCD-18 is ideal for restaurants, commercial businesses and bank transactions.

Features of 400DD and DCD-18

- UL Level 3 rating
- Maintenance-free stainless steel construction
- Includes Hamilton's 5501 Series Audio
- Adjustable trim accommodates counters 1" to 1 1/2" thick
- Adjusts to various curb widths
- Optional heater provides warmth during cold weather
- Equipped with wind weight to hold items in place (400DD only)
- Built-in, covered change tray (DCD-18 only)
