

TECHNICAL TRAINING

at our new Milford Training Center

Hamilton is continuing with our Authorized Channel Partner Technical Service training classes with the goal for every Channel Partner to have at least one individual who can be the "Certified Trainer" for your organization.

Technical Service Training will be limited to 8 students per class*. Meals will be provided; students are responsible for hotel reservations and travel to Cincinnati.

We are limiting the classes to 10 students and 2 instructors to follow. All is subject to change.

NEW: If your organization would like to have a private training session for a min of 6 people up to 10 total, reach out to Nick or Rob for more information.

New training room
