Dear Hamilton Products Group,

The purpose of this letter is to express our sincere appreciation for the hard work, responsiveness and professionalism of the Hamilton Product Group team as it relates to the handling of the recent Navy Weapons Container order.

In response to the shooting events that recently occurred in Chattanooga TN, the Navy decided it was essential to procure GSA Approved Weapons Containers for use in their recruiting centers.

Hamilton Products Group received the expedited order for those containers and has worked diligently to provide the products as requested. Your efforts have far exceeded our expectations and your dedication to serving our country is a credit to your organization.

On behalf of GSA, I would like to extend our sincere appreciation for your dedication, responsiveness and assistance in helping protect our service men and women.

Sincerely,

A handwritten signature in cursive script that reads "Christopher Pollock".
